CLARK FLOUR MILL WILL BE REBUILT

Firm Will Continue in Business and Supply Customers With Flour Made at Other Mills

IS GRATIFIED BY OFFERS

Leonard Clark Expresses Appreciation For Sympathy Shown During His Misfortune

Clark's flour mill, which was destroyed by fire early Saturday morning at a loss of \$150,000, will be rebuilt as soon as possible, and the business will be continued with as little interruption as possible, Leonard Clark, manager, announced today.

Salvage men were here today and an effort was being made to save as much of the wheat as possible, though the grain and parts of the building were still in flames.

Mr. Clark said that the insurance adjusters would be here some time today. He declared that he anticipated no difficulty in adjusting the loss because the amount of the insurance represented such a small proportion of the value of the plant and its contents.

Mr. Clark stated that although the mill would be rebuilt, he could not say definitely what the style of the firm would be because there is a possibility that his father, C. G. Clark, who is spending the winter at Miami, Florida, on account of his health, might retire. Mr. Clark expects to go to Miami to confer with his father just as soon as the insurance is adjusted.

Two warehouses, containing a limited amount of stock, were saved and this will be used as a basis for continuing the business. More stock will be here just as quickly as it can be shipped, Mr. Clark said, and an effort will be made to supply the regular customers.

All of the flour bags on hand were destroyed in the fire, but Mr. Clark has ordered more and will have flour made in other mills, and it will be sold as Clark's flour until a new plant can be put in operation.

"Although handicapped," Mr. Clark stated, "we will attempt to supply our trade as usual. We can't give the service which we have in the past, but we hope that our customers will be patient and we will do the best we can."

Mr. Clark said that he was deeply gratified with the offers of assistance which had come from many sources. The expressions of sympathy from scores of Rushville and Rush county people, he declared

RUSH POST ARRANGES FOR SMOKER SUNDAY

Judge Raymond Springer, Head of Indiana American Legion, is Invited to Speak

BUTTONS TO BE DISTRIBUTED

Arrangements were made yesterday at a meeting of officers and others of Rush post No. 150 of the American Legion, to hold a smoker next Sunday in the court house assembly room, in order to get an estimate of the number of ex-service men in the county eligible to membership.

At this time the new buttons which have just been received from state headquarters, will be distributed among the members.

Judge Raymond S. Springer of Connersville, head of the American Legion in Indiana, has been invited to speak at the smoker and it is believed that he will consent to be present.

All former soldiers are urged to attend the smoker and hear something about the American Legion, its aims and beginnings. By means of the smoker, the officers hope to get the names of most of the men in the county, who served during the war, so that it will be possible to determine how many men may be expected when a banquet is given in the near future.

FOURTH CANDIDATE IS OUT

Phil Wilk Seeks Republican Nomination For County Auditor

Phil Wilk filed his declaration of being a candidate for county auditor this afternoon with County Clerk Martin. Mr. Wilk will be a candidate for nomination on the republican ticket at the primary election, May 4. At present time he is a farmer, and was formerly in the road contracting business, and is widely known throughout the county.

This makes the fourth republican county candidate in the field, and so far there is no opposition for any office.

PURDUE COURSE FOR FARMERS OPENS TODAY

Attendance at Annual Event Promises to Set Record on Account of Advance Enrollment

MANY LOCAL FARMERS ATTEND

(By United Press.)

Lafayette, Ind., Jan. 12.—Farmers throughout Indiana came to Lafayette today to attend the annual farmers' short course given by Purdue university.

Indications before the course opened were that this year's will be the best ever held at the university. There was a heavier advance enrollment and attendance promised to break all records.

Among the features of the short course will be a state corn show and a meeting of the Indiana Corn Growers' association; an apple show to be held at the Purdue greenhouse; a ham and bacon show to select the best country-cured meat; the meeting of the Livestock Breeders' association, the sheepbreeders' association and the State Dairy association.

Many Rush county farmers went to Lafayette today to attend the short course and other meetings which will be held in connection with it. Marion F. Detrick, county agricultural agent, was among those from here in attendance.

SECOND SUIT FOR DIVORCE IN A YEAR

William Floyd, Who Remarried Shrida Floyd November 26, Again Seeks Legal Separation

MARGARET BEALE IS FINED

William Floyd, 830 West Seventh street, has filed a suit for divorce from Shrida E. Floyd, it being their second divorce action within a year. They were divorced last fall and married again November 26. The complaint states that she stayed out late at nights, and treated the plaintiff in a cruel manner.

Mrs. Margaret Beale has appeared before Judge Sparks and changed her plea from not guilty to guilty and was given a fine of \$10 and costs, and sentenced to 30 days in jail, the sentence being suspended during good behavior. She was charged with keeping a house of ill-fame, being indicted by the grand jury.

Nothing much was going on in court today, as the case originally set for trial was postponed on account of the defendant's mother. No more grand jury indictments have been served by Sheriff Jones, and there remains 6 to be served.

TO ABOLISH BOARD

Washington, Jan. 12.—It is apparent that the Greene bill providing for the complete abolishment of the United States Shipping Board just as soon as the government can find private purchases for its enormous fleet of cargo ships, which has already passed the House, will have strong support in the Senate. This is one of the questions which will be taken up immediately by the Committee on Commerce.

DISTRICT BATTLE TO BE STAGED HERE

Word Received Today That Basketball Tournament Will Be Held in Rushville in March

NEWS CAUSES GREAT JOY

Teams Which Will Compete For Honors Are Not Known—Hopes of Fans Are Realized

Rushville will have the honor in March of entertaining a high school district tournament. This news came today at noon from A. R. Trester, secretary of the Indiana High School Athletic League, and was received by the high school in a big style.

It is a known fact that many local men have been promoting and encouraging the bringing of a district tournament here, as in previous years the local team has had to play at Richmond or Franklin.

Hope was almost given up for securing the district meet here, as Rushville had already been assigned to Richmond. The message received here did not state just what towns would be sent here, but it is highly probable that Richmond will have a tournament, taking in new cities to form another district.

The invitational tourney which is an annual affair here a week before the district meet, will in all probability be called off now, as much work will be required to complete arrangements for taking care of many teams while in this city, and two such meets in succession will be too much to handle.

The teams that will probably be sent here in the district tourney will be from Greencastle, Shelbyville, Muncie, Mottstown, Brookville, Spiceland, Newcastle and Knightstown. Newcastle had a tournament last year but some doubt has been expressed as to whether another would be held there this year.

The local team will play Manila here Wednesday night. Manila defeated Greencastle in a game several weeks ago by a much larger score than the local team and they are coming here with the expectation of winning.

SPICELAND PLANT BURNS

Stigleman Manufacturing Company Destroyed at Loss of \$20,000

The Stigleman Manufacturing Company, the leading industry at Spiceland, was destroyed by fire this morning about 6:45. The fire originated from a defective flue. The gross loss was \$20,000 with only \$10,000 insurance which was on the lumber outside of the factory. The company manufactured kitchen cupboards, and employed 27 men. The factory was getting ready to start the day's work and a heating stove in the building caused the fire. The dry buildings and outside timbers were destroyed within less than an hour.

NEW QUAKE KILLS HUNDRED

Heavy Loss of Life in Vicinity of Vera Cruz Reported

(By United Press.)

Mexico City, Mex., Jan. 12.—A new earthquake in the vicinity of Vera Cruz today was reported to have killed more than 100 persons.

A message from the governor at Puebla declared refugees reaching here reported six villages had disappeared. The minister of war sent an ultimatum to the rebel bandits saying that unless they stop harassing relief parties and co-operate with the workers seeking to aid the suffering, he will order a company of federal troops against him.

DEFEATED WITH BIG "O"

Fairview high school's basketball team claims the record for making the highest score ever piled up in a game, having defeated Straughns high school Friday night at Fairview, 106 to 12. The score at the end of the first half was 65 to 6.

RESERVATIONS IN REASON FAVORED

Democratic Conference Sends Lodge Word It Favors Those Which Will Not Scuttle Treaty

HAS NO DEFINITE PROGRAM

View is That President Does Not Want Treaty Issue Taken Into The Campaign

(By United Press.)

Washington, Jan. 12.—Senator Lodge's demand for a democratic "show-down" on treaty reservations was answered today when word was sent through republican "mild reservationists" to him that "a substantial number of democrats more than 20 in all," will support reasonable reservations that do not scuttle the treaty.

Lodge on Saturday demanded that before any further considerations be given democratic reservation proposals, definite assurance concerning the number of democratic followers behind the proposal, be obtained.

Senator Owens called a conference of democratic leaders Saturday night. The result of the conference is as follows:

All the democrats of the conference went on record in favor of the treaty ratifications with reasonable reservations, the kind President Wilson called interpretative.

Democrats are not yet agreed on a definite program.

It was the unanimous view that the president does not want the treaty taken into the campaign and that if the senate wants reservations, showing that the United States is friendly, but not antagonistic toward the treaty, he will sign it. There was no suggestion of a revolt against the president's leadership or a disposition toward Bryan.

RECOMMEND FORMER LOCAL MAN FOR PLACE

Directors of Farmers' Association Urged D. D. Ball be Employed as County Agent

VOTE HIM \$400-A YEAR-EXTRA

The directors of the Rush County Farmers' association voted unanimously Saturday to recommend the appointment of D. D. Ball of Washington, Ind., son of Mr. and Mrs. James Ball, formerly of this county, for county agricultural agent to succeed Marion F. Detrick, whose resignation takes effect February 1. He has been the agent in Davies county, Indiana.

Mr. Ball did not come here to apply for the position, but chanced to be visiting relatives here last week and was offered the place. He accepted after the directors agreed to appropriate \$400 annually from the association's treasury to be paid him in addition to his regular salary. It is presumed the county board of education will meet late in January and employ Mr. Ball so that he can take charge when Mr. Detrick quits.

The directors also decided to provide a free market report direct from the Indianapolis stockyards, each morning, at some central point in Indianapolis, starting today. Pres. Ball made a report on the conference between the directors of the state federation and Indiana live stock men.

MARRIAGE LICENSES

The following marriage licenses have been issued, Kosta Maximovich, a baker of Indianapolis, and Catherine Purcell of this county; Thomas Nelson, Jr., and Vera Duman, both of this county.

SUFFERS STROKE

W. M. McWhorter, who suffered a stroke of apoplexy at his home in North Sexton street last Tuesday, is in a serious condition.

DROPS DURING THE NIGHT

Temperature Below This Morning, Anniversary of 1918's Coldest Day

The temperature took a decided change in the night, and after a day of moderating weather Sunday with the thermometer above freezing, dropped to one below, according to the government station at Maury. Yesterday was a beautiful day and the sudden drop did not come until early in the morning. Two years ago today the temperature was 19 below zero. The weather prediction for tonight is cloudy and warmer, with snow or possibly rain. Today's high mark was thirty above zero.

ELLIOTT ANNOUNCES HE IS A CANDIDATE

Sixth District Congressman Says He Will Seek Renomination by Republicans

TO REMAIN IN WASHINGTON

Congressman Richard N. Elliott of Connersville has announced in a letter received here that he is a candidate for the republican nomination for congress in the sixth district, subject to the will of the voters in the primary election May 4.

The belief has generally been accepted that Mr. Elliott would be a candidate. He was elected at the special election to fill the vacancy caused by the death of Daniel W. Comstock of Richmond and re-elected in 1918 for a term of two years.

Mr. Elliott in a communication here authorizing his announcement stated that since congress has more work to do now than it has had at any time since he became a member, it will be impossible for him to come home and make a campaign. His candidacy will rest in the hands of his friends and it is generally conceded that there will be no opposition to his renomination. "I think I can serve my constituents better by remaining here on the job," said Mr. Elliott.

THOMAS COYNE, AGE 86 EXPIRED AT BEDFORD

Widely Known Rush County Citizen Expires While on a Visit With His Daughter

FUNERAL HERE TOMORROW

Thomas Coyne, a well known resident of this city and county expired yesterday while on a visit with his daughter in Bedford, Ind. Mr. Coyne was 86 years old, and his death was caused from pneumonia which he contracted a few days ago.

Rushville and Rush county had been his home for over a half century, and shortly after Thanksgiving he went to Bedford to visit his sister, Mrs. Martha Walsh, at whose home he was taken ill. He is survived by two children, the daughter at Bedford and Michael Coyne who lives south of Raleigh. Mrs. Patrick Hayes is also a sister of the deceased.

The remains arrived here at noon today and were taken to the home of his son near Raleigh, and the funeral services will be conducted Tuesday morning at nine o'clock at the St. Mary's Catholic church in this city, and burial will be made in Calvary cemetery.

STATED MEETING

Phoenix Lodge, No. 62, F. and A. M. will hold their regular stated meeting Tuesday evening at 7:30 o'clock. Visiting Masons will be welcome.

WEATHER FOR THE WEEK

Washington, Jan. 12.—Fair weather is indicated for the week in the Ohio valley, except for rains or snows about the middle of the week. The temperature will be nearly normal.

ARMENIAN PLEADS FOR AID OF NATION

V. G. Beshgetoor Speaks Several Times Sunday in Interest of "Support an Orphan" Campaign

TO BE FIRST WEEK IN FEB.

Pathetic Picture of Suffering and Persecution at Hands of Turks Presented by Refugee

Presenting a pathetic picture of the sufferings and persecutions of the Armenians, the first Christians, by the Turks, V. G. Beshgetoor, who escaped 33 years ago from a Mohammedan dungeon, to which he had been sentenced for 100 years, made a passionate plea for the "Support an Orphan" campaign at St. Paul's M. E. church last night. His address was the culmination of a series made during the day in the interest of the campaign which will be made in this county the first week in February, for enough pledges to support 53 Armenian orphans for a year. Sixty dollars will keep an orphan for a year.

Mr. Beshgetoor addressed the high school this morning at 9 o'clock and will speak at Raleigh tonight. He visited Rushville Sunday schools yesterday, speaking briefly at each one, and in the afternoon spoke to a mass meeting of 200 persons at the Friends church in Carthage. All of the Carthage ministers were present and promised to raise Carthage's quota of \$480, enough to support eight orphans. Owen S. Henley is in charge there.

Plans for the campaign and the date were arranged at a conference of township workers and representatives of organizations at the court house Saturday afternoon. Walter E. Prutze was elected county chairman; Mrs. A. L. Stewart, secretary; R. E. Harrold, publicity director, and Ralph Payne, treasurer.

It was decided at the conference to make the appeal to organizations rather than to individuals. All of the Rushville ministers were present and they agreed to arrange for the churches and Sunday schools of the county to make their contributions the first Sunday in February, opening the week's campaign.

"You people live in heaven," declared Mr. Beshgetoor in his Sunday night address. "You do not realize it like I who lived in Turkey, the other extreme. You have freedom, homes, families, everything, while we in Turkey had nothing except the fear every moment of persecution and death at the hand of the hated Turk."

The speaker touched on the historical significance of Armenia.

RICHLAND FARMER DIES AT AGE OF 68

George Miller Succumbs to Bright's Disease Saturday Night at Home Southwest of the City

FUNERAL TUESDAY AT 10 A. M.

George Miller, a prominent farmer of Richland township, died Saturday night at his home southwest of this city, at 8:30 o'clock of Bright's disease. The deceased was a life long member of the United Brethren church and was sixty-eight years of age.

The survivors are his two sons, Leslie, who lived with his father and Dwight and one sister, Mrs. Louell Leforge. The funeral services will be held tomorrow morning at ten o'clock at the late residence and burial will take place in the East Hill cemetery. Rev. C. W. Rector of Gaston, Ind., will have charge of the services.

Mr. Miller had been in poor health for several years and for the last few weeks had been critically ill. Mr. Miller sustained serious injuries one year ago last August when his machine collided with an automobile driven by John C. Black, now of Montgomery, Alabama, near the East Hill cemetery.

STOP ITCHING ECZEMA

Penetrating, Antiseptic Zemo Will Help You

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying Zemo. Furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment Zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed. For clearing the skin and making it vigorously healthy, always use Zemo, the penetrating, antiseptic liquid. It is not greasy, it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds. The E. W. Rose Co., Cleveland, O.

HIGH PRICES PAID FOR YEARLINGS

Last Year Sensation Produced When Two Batches of Yearlings Sold. For Sums Never Before Equalled

BEST AVERAGE IS \$360

Get of Peter the Great Has Won Over Three Quarters of a Million Dollars in Prizes

By W. H. SMOLLINGER Secretary American Trotting Association

The topic of the hour among trotting horsemen is the yearling boom, as indicated by the prices paid for animals of that age at the annual "Old Glory" auction held in Madison Square Garden, New York, Thanksgiving week.

The "Old Glory" has been a yearly fixture for nearly a quarter of a century and during that time consignments of yearlings from practically every famous breeding farm in the United States have passed under the hammer there. The prices brought by these youngsters are considered indicative of the "pulse of the market" for trotters as is nothing else, so the results attained have set the trotting fans agog, as has nothing else in many years.

Last year a sensation was produced at the "Old Glory" when two batches of yearlings were auctioned for figures never before equalled. The top-liner was the consignment of colts and fillies sired by J. Malcolm Forbes (2:08), bred and sent to the ring by James R. Magowan, of Mt. Sterling, Ky. There were fifteen of them and they sold up to \$5,500 each, the average for the fifteen being \$1,312 per head.

Second only to them in money-bringing was the consignment of twenty-eight yearlings by Peter the Great (2:07 1/2), sent on by Laurel Hall Farm, Indianapolis, Ind. They sold up to \$5,000, and their average

price was \$916. These figures eclipsed everything else of the kind previously known, the best average ever before obtained in "the Garden" for a consignment of yearlings having been \$860, which Magowan recorded for thirteen head by J. Malcolm Forbes in 1916.

It was a question of great interest with horsemen, and, especially, with breeders, whether at this year's auction these prices would be equalled or beaten, or whether a falling off in values would take place. The result has been that far higher prices have been realized than before, and new records have been set.

The auction opened on Monday, November 24, and lasted the Laurel Hall yearlings by Peter the Great were offered. There were thirty-one of them, and three more than last year, yet such was the demand for them that they averaged \$1,154 each, for over \$200 more per head than a year ago.

The Magowan lot was sold on Tuesday. It numbered twenty, all as before, by J. Malcolm Forbes, and when the last one had been knocked down the record established last year by the consignment of Peter the Great was broken into smithereens, the average being \$1,300—a gain of \$188 per head.

The fact that these two sales had raised the average of the yearling sires to the two sires whose offspring have returned their breeders such record-breaking amounts are not brothers. Peter the Great is a son of Pilot Medium, and J. Malcolm Forbes is a son of Bingen, but both are from the same dam, namely, Santos, by Grand Sentinel.

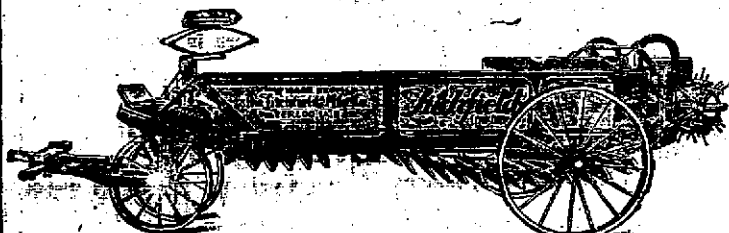

Something like thirty years ago the late D. D. Streeter, of Kalamazoo, Mich., picked up for a comparatively small sum a bay filly that had been bred by another resident of the same town, S. A. Browne. This was Santos. As she did not promise brilliant speed, Streeter decided to use her for breeding purposes and she now ranks as one of the premier speed producers in trotting history. Bred to Pilot Medium she produced tucky Futurity, the most valuable trotting race in America, with about \$10,000 to the winner, and then Streeter sold him to the late J. Malcolm Forbes, of Boston, for \$20,000.

Forbes was at that time also the owner of the famous stallion Bingen (2:00 1/2) and Streeter decided to breed Santos to him. The produce was J. Malcolm Forbes.

These two half-brothers are far and away the two most remarkable trotting sires that any one mare ever produced. The get of Peter the Great has won over three-quarters of a million dollars in stakes and purses; while the get of J. Malcolm Forbes includes no less than forty-eight that have trotted to standard records (2:30 or better) as yearlings, which is more than all other sires combined are credited with.

Money Cannot Buy Any Better E. D. Grappe, a leading merchant of St. Maurice, La., writes: "For a cathartic I especially recommend Foley Cathartic Tablets, knowing as I do that money cannot buy any better." Druggists and general merchants who are in close touch with their trade and know just what the medicine they sell do for their customers never hesitate to recommend Foley Cathartic Tablets. They act promptly, clear the bowels, sweeten the stomach and tone up the liver. B. Johnson—(Adv.)

HOW

A HORSE TALKS

If horses could talk, we would get a few of these dumb beasts around us to help sell the "Rushville Special" Spreader. If these dumb beasts could speak the human language, horses would be the best advertisements we have.

A man who thinks anything of his horses, can't help liking this spreader if he will once mount the seat and put his horses in front of him and see them work in the modern three-horse hitch. With this equipment every horse travels without the least side draft, not a tug pulling a bit out of line. Each horse pulls exactly one-third of the load. If horses could talk, this is the spreader they would choose.

When the "Rushville Special" Spreader goes into the field with a big load, there is hardly a bit increased draft on the horses when it begins to spread, and every foot of load that leaves the machine decreases the draft in proportion. Something that cannot be said of any other spreader on the market.

The fact that this spreader will turn in a short circle distributing at full feed a difficult load, proves that the traction is at least 100 per cent in excess of the average requirements. This means scientific handling of difficult material, because if the draft is on the heater wheel the horses will feel it. The time that a spreader becomes a horse-killer is when it is partly unloaded and the packed condition of the load closes the heater wheel—something that never happens with our machine. If horses could talk they would choose this spreader, because the wheels are mounted UNDER the load, and the front and rear wheels are close together. This means light draft—something that horses like.

Andrews, in Arlington over Sunday, and were at the bed side of their brother, Willie Andrews, who recently returned from overseas and is seriously ill, having been sick when he reached the United States.

ARMENIAN PLEADS FOR AID OF NATION

Continued from Page One

which was a nation long before God called Abraham father of the Jews.

"We believe our history began with Noah's ark," he declared, "and we believe that Adam and Eve were Armenians, the most ancient people on earth. Armenia was the first Christian nation on earth and it has never slipped back."

The speaker explained that Armenia was the gateway from Europe to Asia and had been the battleground of religious wars since the third century, having been attacked by false faiths for centuries, but always remaining steadfast.

"We have given up our homes, our loved ones and our country which has been wiped out. Not hundreds, or thousands, but millions of our people have been martyrs to Christianity," he said. "We have heard of the German atrocities in Belgium. These were only during the war, but Ar-

menia has been a perpetual Belgium for centuries."

Mr. Beshgetoor said the Armenians were characteristically patriotic, intelligent, hospitable and good business people. Tracing their early history with relation to their age-old enemy, the speaker recalled that the Mohammedan religion was founded the third or fourth century after the Christian era. He said the Turks were originally a band of roving brigands.

"The Yankees are called an inventive people," he continued, "but the Turks are inventive only along one line—new methods of torture. We held them back for ages but they finally conquered us and passed on through to Asia Minor and captured Constantinople."

The speaker explained the methods of torture employed by the Turks. Someone conceived the idea of fighting battles with Christian soldiers, he said, and Armenian babies were seized, reared as Turks and Mohammedans, trained as soldiers and sent into battle against their parents.

"European countries have not cured this sore," he continued, "because they did not want Russia to have Constantinople, which would give that nation the balance of power."

Mr. and Mrs. Glen Miller have gone to housekeeping in an apartment in the Manzly Flats. Their telephone number is 2162.

RUSHVILLE PEOPLE PREVENT APPENDICITIS

Many Rushville people are using simple glycerine, buckthorn bark, etc., as mixed in Adler-i-ka. This flushes BOTH upper and lower bowel so completely it removes all foul, accumulated poisons from alimentary canal and prevents appendicitis. Adler-i-ka relieves ANY CASE gas on stomach or sour stomach. Often CURES constipation. In one case of chronic stomach trouble ONE bottle produced wonderful results. F. E. Wolcott, druggist, Adv.

FOR CONGRESSMAN
We are authorized to announce the name of Richard N. Elliott of Connersville as a candidate for congressman from the Sixth district subject to the decision of the Republican primary election on May 4, 1920.

Running the Railroads

Just at the time when government ownership of railroads is being agitated and there has been an effort to make the country believe the railroad administration has succeeded in putting the roads back on a paying basis, there comes along the disclosure of another staggering deficit in November.

The government deficit from railroad operation in November is estimated at \$64,500,000, which is a low record for the year, according to figures given out by the Bureau of Railway Economics. Net operating income for the month is estimated at below \$20,000,000 which the bureau says is the lowest in 30 years when computed on the basis of percentage of investment.

It is significant that gross revenues for the month are close to the high mark of a year ago but expenses have been heavier.

The same authority, the government's net loss in 23 months of railroad operation, on basis of interstate commerce commission figures is calculated at \$348,000,000. The loss in 11 months of 1919 exceeds \$331,000,000.

These figures, though not specially surprising to those who have followed the trend of things in regard to the railroads, are noteworthy because in the course of the debate on the railroad bill in the senate some of those who wanted government operation under the existing railroad administration extended for two or more years endeavored to make it appear the roads were once more back to the point where they were on solid ground and this was due to the excellent management of the railway administration. The railroads, of course, under the existing railway control act, which the administration forced on congress and the country, are guaranteed an enormous compensation for return. But Uncle Sam has to stand for a huge deficit.

The obvious fact is that if the railroad administration were allowed two more years of operation of the roads, the treasury of the United States would be called on to pay up a deficit which for the entire period of government operation would, if past figures are any criterion, run up to about a billion and a quarter dollars. This would be paying rather high even for the best of service, for the most efficient operation. It would seem to be paying altogether too much for inefficient operation such as characterizes the regime of the railroad administration now, leading, for instance, to widespread complaints from grain men, stock men and other shippers.

Another Family Jar.

All the world knows that General Pershing and General Wood have about as much love for each other as an alley cat for a bull pup.

And yet each, it seems, would not be averse to becoming president of the United States and the commander-in-chief of the other.

When Wood and Pershing meet they bow elaborately and palaver politely and then duck their separate ways as quickly as possible.

Each has his friends and admirers but to the public in general it is somewhat amusing.

But family jars, you know, are always the source of much amusement—to all except the family.

Our great and distinguished generals, finding no other fields to conquer, will now proceed to devour each other.

One of the bills which will have early consideration by the senate and is expected to pass is the Americanization measure already reported favorably. Back of this bill is recognition of the fact that to have in this country large populations of aliens who do not read and write the language and know nothing about the spirit of the constitution, is to provide a fertile field for the teachings of violent creeds.

Republicans can sympathize with democrats in their present dilemma since Bryan and Wilson have disagreed over the peace treaty. They can with ease hark back to 1912 when they had to choose between Taft and Roosevelt.

FINE FOR RHEUMATISM

Musterole Loosens Up Those Stiff Joints—Drives Out Pain

You'll know why thousands use Musterole once you experience the relief it gives.

Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

Musterole is recommended by many doctors and nurses. Millions of jars are used annually for bronchitis, croup, stiff neck, asthma, neuralgia, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia). 20c and 60c jars; hospital size \$2.50.

Sap and Salt

By BERT MOSES

The slowest to give advice is a big man.

It's all right to be little so long as you are not small.

People are safe only when they have something useful to do.

Two impossible things are these: Pleasing everybody and beating Wall Street.

Hez Heck says: "Next to red neckties, about the worst things a man can wear are side whiskers."

Perfumed women are not so grateful to a man's nostrils as women who make frequent use of the bathtub.

Strawberries sold for \$2.50 a quart at Richmond, Ind., the other day, and shortcake made from these berries sold at 35 cents a slice. And yet some people wonder why the cost of living is high.

We have been led to believe by the proponents of the peace treaty that the league of nations would end war, but Marshal Foch, the man who put the finishing touches on the Hun says nix.

BOTH PARTIES DISPLAY FEVERISH ACTIVITIES

At No Time Since Treaty Fight Began Has There Been so Much "Brass Tack" Talk About Treaty

IMPORTANT MEETINGS HELD

(By United Press.)
Washington, Jan. 12.—Feverish activities for the treaty are being displayed by both the democrats and republicans.

At no time since the fight begun have so many "conferences" been held and so much "brass tack" talk on the treaty been heard.

The most important conference was held by Senators Lodge, Underwood and Lenroot.

Senator Kendrick who resubmitted democratic reservations, also held a number.

Senator McNary, Colt and McCumber did likewise.

At the same time Joseph Folk, recently host to W. J. Bryan at a dinner, appeared at the capitol and announced a powerful move had begun to have Bryan's idea accepted by the democrats.

Senator Johnson, leading a bitter minority returned to Washington to take active part in the campaign for utter rejection of the treaty.

Senator Johnson wrote a letter to Major General Wood, asking Wood how he stood on the league of nations.

BOLSHEVIK VICTORY

London, Jan. 12.—Bolshevik forces captured an important town 650 miles southwest of Irkutsk with remnants of Admiral Kolchak's third and fourth armies, a dispatch said today.

More Than Extraordinary Performance

SOME among our Hupmobile owners have told us that they bought their cars for their extraordinary performance.

It is perfectly true that the Hupmobile does habitually outpoint cars that cost more, or have more cylinders.

But it does not stop there. It gives you, also, at least two other highly desirable qualities.

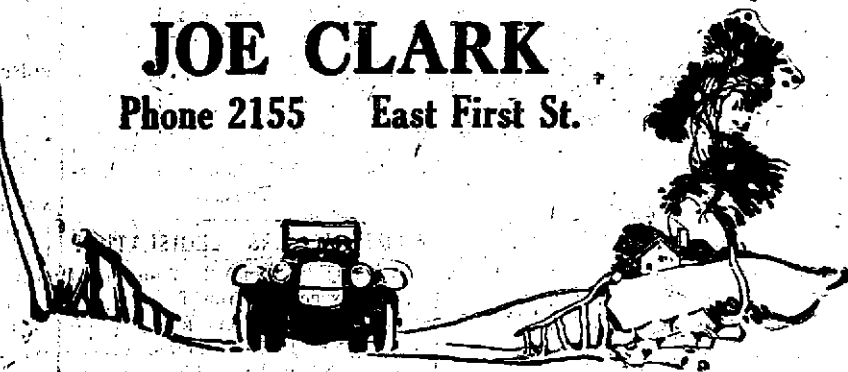

One of these is a very marked economy in tires, gasoline and oil.

The other is its unusually rare need for costly repairs.

Even if you should be mainly influenced by Hupmobile performance, you have those other comforting assurances of the unusual quality of the car.

Our Daily Laugh

New and Bright Yarns That Will Tickle You and Will be Relished by Your Friends When You Repeat Them.

He hailed from a small town inhabited by Pennsylvania Germans and pretzel factories. He strolled into the railroad station and said to the clerk:

"Say, vot time already does the next train go me by Pottstown?" The clerk said: "Wait a minute," and looked over a time table. "You gotta wait three quarters by an hour."

"My gracious!" said the traveler. "Seventy-five more minutes will go wasted to the devil."

CASH PRIZE OFFER: A prize of \$1.00 will be awarded each contributor of a joke to OUR DAILY LAUGH which we accept. Only new jokes, those never before published, are considered. Contributions will not be returned unless stamped envelope, bearing your address, is enclosed. Mail stories to contest editor, Daily Republican.

CAMPAIGN CULMINATION

Bloomington, Jan. 12.—As a culmination of the movement for better rural schools in Indiana, L. N. Hines, state superintendent of public instruction, opened a five day conference on rural schools here today. It was planned to have every county school superintendent in the state here to attend the meeting. Some of the foremost authorities of the country were to address the meeting on the subject.

She Lived Months On Bread & Milk

**Mrs. Vetter Gains Fifteen Pounds
and Gets Rid of Twelve Years
Trouble**

"My twelve years' of troubles have not only left me since I began taking Tanlac but I have gained fifteen pounds besides," was the statement made by Mrs. Frank Vetter who lives at 1706 East Miller St., Springfield, Ill., a few days ago.

"I have been in poor health for about twelve years," she continued, "and during the past several years my condition has been serious. I had such a bad case of indigestion that I had to live most of the time on such things as bread and milk for if I touched any solid food at all I would be in misery for hours afterwards. I would have terrible cramps in my stomach, and gas would form and press up around my heart so bad that I would have to gasp for breath. Sometimes I had blinding dizzy spells so bad that black spots would come before my eyes and I could hardly stand on my feet. But my worst trouble was in my back, why the pains were so awful I couldn't do any of my housework at all, not even sweep. I couldn't go up and down the steps without my back hurting me, and in fact it kept me in misery nearly all the time. I had severe headaches so often I thought they would run me wild, and I lost so much sleep that I felt weak and miserable all the time.

"This was just how bad I was when my sister told me about Tanlac and advised me to try it. I took her advice and now I am certainly glad I did because it has overcome all my troubles and I am a well and happy woman. Everything I eat agrees with me perfectly and I am so hungry all the time I can hardly get enough to eat. I don't have those blinding dizzy spells any more and the best thing of all, is that the pains in my back have all left me. Headaches never bother me now and I can sleep all night long as sound as a child. I have gained so much weight and strength that I don't feel like the same person and I can do my housework with ease. I give all the credit for my wonderful recovery to Tanlac and I don't hesitate at all in recommending it highly."

Tanlac is sold in Rushville by F. B. Johnson & Co.; in Milroy by Dallas Copper; in Manila by Geo. J. Inlow; and Arlington by Mrs. L. T. Davis.—(Adv.)

Amusements

Talmadge Picture 2 Days
Norma Talmadge appears here tonight and tomorrow at the Princess in "The Isle of Conquest." The star is a well liked actress by local fans and the engagement here for two days is indeed considered fortunate, which will enable everyone to see her.

Jim Corbett at Mystic
The fourteenth episode of the Jim Corbett serial, "The Midnight Man," which is entitled, "Flames of Fury," was being shown at the Mystic theater today. On the program also is an L-Ko comedy, "Sirens of Suds," and a Universal news reel.

In the latest World picture, "Bringing up Betty," starring Miss Evelyn Greeley, Betty Morton is viewing the races from the yacht of her fiancé, Carl Gates.

The leading boat in the race comes up close to Gates' yacht and Betty, in her agitation, leans too far over the edge of the boat. She falls into the water. Her fiancé cannot swim and therefore does not go to her rescue.

Tom Waring, the owner of the leading yacht in the race, although he is nearing the goal, promptly swings his boat around, dives into the water, and saves the girl. He drags her on board his yacht, and quickly endeavors to make up for the time lost through the accident.

But he is able to outdistance the yachts which meanwhile have pulled ahead of him, and what part does the girl have to play in winning the race for him?

"Bringing up Betty" explains and also treats the audience to a charming little salt water comedy containing a laugh every minute. It will be the attraction at the Mystic theatre on Tuesday.

WANT PACKERS LEGISLATION.

Washington, Jan. 12.—Widespread demand is coming from farmers' organizations and from livestock interests that there is enacted legislation to control the packing industry. In the same connection, the recent plan announced by the Department of Justice for a peace agreement between the government and the packers is meeting with criticism. The feeling which is manifest in these criticisms is that the packers have outmaneuvered. Attorney General Palmer.

The Thames river, only 220 miles long, has as large a traffic as any river in the world.

EIGHT "PRISONERS" ARE CAPTURED SUNDAY

**Large Crowd Which Filled Church
Witnesses First Drive of the
Salvation Army**

"HEAVY ARTILLERY" HELPS

A very large crowd that filled the building witnessed the second drive of the local infantry of the Salvation army, assisted by the Shelbyville "heavy artillery" last night at the Salvation army church. This drive will go down in history as one of the greatest ever put over in this city.

Sharp at seven o'clock the forward signal was given and with confidence in the captain (Jesus) who never lost a battle, the army of Salvation entered the enemy's trench and after a hard battle eight prisoners were captured.

The "heavy artillery" from Shelbyville rendered excellent service and sent over a number of heavy shells that wounded a number of the enemy.

Those who have recently been transferred from the Rushville Home Guards and are now on active service fought a good fight and proved not to be afraid of the fire.

Saturday will be divisional rest day and there will be no service that day. Each night the drive will start at 7:30 o'clock. A special invitation is extended to all members of the R. Home S.

TO SELECT A CANDIDATE

**Wilson Next Problem to Pick Head
of Democratic Ticket**

Washington, Jan. 12.—Selection of a candidate at the head of the democratic national ticket is believed to be President Wilson's next problem.

It was declared that in the face of the league of nations, the president will plunge into the fight himself not however to intend to be re-nominated. Just at present J. M. Palmer is agreed as favorable to him.

RENEWED TESTIMONY

No one in Rushville who suffers backaches, headaches, or distressing urinary ills can afford to ignore this Rushville man's twice-told story. It is confirmed testimony that no Rushville resident can doubt.

E. L. Hinkle, 815 N. Jackson St., says: "Sharp pains in my back radiated to all parts of my body and I was hardly able to walk. I couldn't rest well, owing to my kidneys acting irregularly. I found no relief whatever until I began using Doan's Kidney Pills. Nine boxes of Doan's entirely cured me and made me feel like a different man. The terrible pains in my back left and my kidneys again acted regularly."

MORE THAN FIVE YEARS LATER, Mr. Hinkle said: "The cure Doan's Kidney Pills made for me is still lasting. I never have anything more serious now than an occasional tired feeling across my back. A few doses of Doan's soon fixes that up."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hinkle had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)

SHOE REPAIRING

Shoe Repairing

WE HAVE TO SMILE
when people come here with old shoes, which they doubtfully leave to our tender mercies and depart. We have to smile again when they come back and see how our shoe repairing has transformed their old shoes practically into new footwear. They never doubt again. Neither will you if you test our skill with some of your worn shoes.

TREATY RATIFICATION WILL NOT BANISH WAR

**Foch Declares it Foolish to Believe
That There Would be no More
Wars**

IT SHOULD BE A LESSON

Paris, Jan. 12.—Final ratification of the treaty will not forever banish wars, Marshal Foch declared today in an interview.

"It would be foolish to believe that there would be no more war," Foch declared.

"France and the world should draw a lesson from the war just finished," he declared.

"War is not always avoidable. If it is true that two are necessary to make a fight. It is equally true that the best prepared will win."

"War no longer may be called an art," Foch declared. "It is now a science and an industry."

COUNTY NEWS

Orange

The Rev. W. F. Schrontz held services at Laurel Sunday.

Miss Dorothy Bever of New Salem was the guest of Miss Nellie Stevens Sunday.

Mr. and Mrs. Thomas Matney spent last Tuesday in Connorsville.

Buy Now While Deliveries Are Possible

Buy your Ford car now while deliveries are possible. There is only a limited, specified number of Ford cars allotted to this territory. You will be wise to buy one now while we can get cars to deliver. A signed order with us is your protection.

Even our small allotment of Ford cars is not shipped us until we have bona-fide orders for them. This is because the demand for Ford cars all over the country is greater than the supply or production. So, don't depend on spring delivery.

Only so many Ford cars will be shipped in to this territory; only so many will be able to get Ford cars. If you would be forehanded and plan ahead, you will have us deliver you a Ford car as soon as possible. Then you will have it to use whenever you want it.

The Ford is an all year utility—in your home or business. Its serviceability, its ease of operation, its low cost of maintenance has made it such. It will serve you the year around. Spring and summer, autumn and winter, it is your servant; always ready to do your bidding.

Announcement was received here today of the birth of a baby girl, weighing eight pounds last Thursday to the wife of Noley Newkirk, formerly of this city, at their home in Elk Point, South Dakota. The baby was named Mary Margaret.

Thomas Nelson, Jr., of Greenfield, Ind., and Miss Vera Duzan of Carthage, were married by the Rev. F. M. Westhafer at the M. E. parsonage in Arlington Saturday afternoon at one o'clock. They will reside on a farm near Greenfield. Mr. Nelson served in the United States navy during the late war.

Honoring the birthday of Mrs. Lon Ellison, a few of her friends gathered at her home west of the city Saturday evening and enjoyed the evening with her. The guests were Mr. and Mrs. J. R. Dearing, Mr. and Mrs. Carwein and family, the Misses Baclab and Lucille Ellison and Floyd and Charles Ellison.

Miss Ozella Leonard, daughter of Mr. and Mrs. George Leonard, of near Orange and Roy Harbert of near Milroy, were quietly married in Connersville Saturday morning. Miss Leonard was an assistant telephone operator at New Salem and Mr. Harbert is a farmer of the Milroy vicinity. They will reside on a farm near Milroy.

The members of the Sorosis Club will be entertained tomorrow afternoon at the home of Mrs. J. T. Paxton in West Seventh street. The first thing on the program for the afternoon will be a round table discussion followed by a Review of African magazines by Mrs. Charles Newhouse and a review of the Ladies Home Journal by Mrs. Paxton. The response to the roll call will be books worth reading twice. As this is the first meeting of the new year, all members are requested to attend.

Miss Mabel L. Cross, daughter of Mr. and Mrs. Harvey Cross of Belmont, Indianapolis, and Oakley Sampson, son of Mr. and Mrs. D. D. Sampson of Arlington, were quietly married last Thursday afternoon at two o'clock at the home of the bride's parents in Indianapolis. Mr. and Mrs. Sampson will reside in a newly furnished home in Arlington. Mr. Sampson is well known here, being a dealer in poultry in Arlington, and also an automobile agent. Miss Cross is a popular young lady of Belmont.

The Rushville Rebekah Lodge No. 132, I. O. O. F., Friday night installed the following officers: N. G. Vernie Ryan; V. G., Rena Offutt; Chap., Dorothy Smalley; Financial Sec., Edna Dagler; Recording Sec., Nellie Sweet; Warden, Katherine Stewart; con., Blanche Walker. The following are the appointed officers: I. G., Nannie Goodwin; O. G., Walter Perkins; R. S. to N. G., Pearl Orme; L. S. to N. G., Lena Webber; R. S. to V. G., Helen Wilson; L. S.

Where Can I Find Relief From Itching, Terrifying Eczema?

Question on Lips Afflicted.

There is a harassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its

source, which is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle today, and you will see results from the right treatment! Medical advice free. Address Medical Director, 48 Swift Bldg., Atlanta, Ga.

WOMEN SPECIALLY INVITED

Parent-Teachers Association and Farmers Will Meet

Union township farmers will hold a big meeting tomorrow night at the McGraw hall in Glenwood. It will be conducted jointly by the parent-teachers association and the farmers' organization. A most interesting program has been arranged, consisting of music and short talks. A special invitation has been extended to the township women, and the farmers have been requested to take their families with them. The program will begin at 7:30 o'clock.

OOO FELLOWS INITIATION

Franklin Lodge No. 35 will have initiatory degree Wednesday evening with eight candidates. A good attendance is desired. Music will be provided by the orchestra.

NOTICE OF ADMINISTRATION

Notice is hereby given that the undersigned has been appointed by the Court of the Circuit Court of Rush County, Indiana, to administer the estate of William A. Rust, deceased, of said county, deceased.

EDGAR THOMAS, Clerk
D. Douglas Morris, Attorney
Jan 5-12-19

NOTICE TO NON-RESIDENT

The State of Indiana, Rush County. In the Rush Circuit Court, November Term, 1919.

John D. Farlow vs. Nathan R. Farlow et al. Complaint No. 1919.

Now comes the plaintiff, by Morgan & Ketchum, and files his complaint hereto, in which is for partition of real estate together with an affidavit that the defendant, Philora A. Rust, is not a resident of the State of Indiana.

Notice is therefore hereby given said defendant, that unless she be and appear on the 13th day of March, 1920, in the Rush Circuit Court at the Court House in Rushville, in said County and State, and answer or demur to said complaint, the same will be heard and determined in her absence.

In witness whereof, I hereunto set my hand and affix the seal of said Court at Rushville, this 3rd day of January, A. D. 1920.

LOREN MARTIN, Clerk

TOO MANY CLERKS HIRED

Utah Senator Would Investigate Government Departments

Washington, Jan. 12.—Conditions in the government departments at Washington are so bad with respect to overloading with an excessive number of clerks and employees at vast expense to the public, that some of the democratic members of Congress are beginning to criticize.

Senator King of Utah has introduced a bill to authorize the United States Bureau of Efficiency to investigate the personnel of the departments and bureaus and find out how many can be discharged without hurting the service.

HOME MADE RECIPE

CATARRH AND COLDS

Nonexpensive—Cut This Out

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcline and pour it into a pint bottle, then fill the bottle with water that has been boiled. Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

is the dentrifice that contains the properties recommended as ideal by United States Army dental surgeons

WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL HEALTH BY BIO-FEREN

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-Feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-Feren is without doubt the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists, and is not at all expensive.

Take two after each meal and one at bed-time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel that you are more vigorous and keen minded, yes, twice as much as you did before the druggist who sold you the tablets will gladly hand you back just what you paid for them.

All druggists in the city and vicinity have a supply on hand, or can easily get it for you. Write a day for seven days.

WEDNESDAY, FEB. 4, 1920

SALE TO COMMENCE AT 10:00 A. M.

SALE HELD UNDER TENT REGARDLESS OF WEATHER

22 Head of Draft Horses 22

2 Head Registered Imported Percheron Stallions

1 BLACK STALLION—weight 2350. He was first prize of four-year-olds and over and Grand Champion at Indiana State Fair in his 7 year old form.

1 DAPPLE GRAY STALLION—weight 2000.

Both of the above named horses are extra good breeders and sure. Here is your opportunity to buy a high class stallion at your own price.

1 pair of dark gray mares, 4 years old, sound, good workers, one in foal, weight, 3100. 1 team of bay mares 6 years old, weight 3400, sound and good workers. 1 dapple gray mare 5 years old, sound, weight, 1600, good broke, in foal. 1 think one of the best individuals I ever owned. 1 roan mare 4 years old, sound, weight 1600, in foal. 1 sorrel mare 4 years old, sound, good worker and will mature to 1800. 1 black mare 5 years old, sound, good broke, weight 1450. 1 brown mare 6 years old, sound, good broke, weight 1450. 1 gray mare 3 years old, sound, green broke, making of a good draft mare. 2 three-year-old black draft geldings, sound, green broke. 1 two-year-old dark gray draft filly, sound. 1 smooth mouth driving mare, family broke. 3 dark gray yearling draft colts. 1 black yearling draft colt. 1 brown mare 8 years old, weight 1650, good worker. 1 black mare 6 years old, weight 1500, sound, and good worker. As most people know, I have kept high class imported stallions for several years and have produced the majority of this stuff on the farm, and when seen I feel that you will concede that it is the best bunch of horses you have seen in years in one sale. As good or better than above described. Season paid on all above mares in foal.

20 Head of Big Type Poland China Gilt 20

The tops out of 95 head from the Tom Thrall herd. Eligible to register, and bred to farrow the last of February or first of March to pure bred Big Type boar. Immune.

Lunch served by Baptist Aid Society of Homer.

OREGON LEGISLATURE IN SPECIAL SESSION

Governor Calls Law Makers to
Meeting to Consider Five Very
Important Things

IT MAY LAST 2 OR 3 WEEKS

Salem, Ore., Jan. 12.—The Oregon legislature convened here to-day for a special session, pursuant to Governor Olcott's call.

The executive, in his proclamation summoning the lawmakers, enumerated five purposes of the extra session:

First—To amend the workmen's compensation act by increasing the rates paid to injured workmen, thus alleviating suffering and hardships induced by such workmen.

Second—To appropriate money necessary to properly carry out the soldiers', sailors' and marines' educational financial aid act, which was adopted at a special election in June, 1918, and to appropriate money to meet such liabilities as have been authorized by the state emergency board during the year 1919.

Third—To consider the advisability of submitting to the Oregon electorate the question of the restoration of capital punishment.

Fourth—To consider legislation necessary to supplement and carry out the state bond payment of irrigation and drainage bond interest constitutional amendment, which the people adopted at the June, 1919 special election.

Fifth—To consider the federal suffrage amendment.

The legislators were not asked to confine their work to the five questions mentioned in the call, and the session may last two or three weeks.

CLARK FLOUR MILL WILL BE REBUILT

Continued from Page One

made him profoundly grateful, as well as telegrams, telephone messages he had received from millers and others elsewhere.

Two Anderson millers, drove here yesterday in an automobile and tendered the use of their mill in the emergency. Similar offers have come from other flour mill owners in the state.

"A person never realizes the value of his friends," said Mr. Clark, "until he is visited by misfortune. I am unable to express my appreciation for the effort which the fire department and volunteers made to save the mill."

Mr. Clark said many people were credulous when they read Saturday evening that he estimated the loss

at \$150,000 when as a matter of fact it was nearer \$200,000.

He was told by millers yesterday that it would require four times the amount of the insurance to replace the mill on account of the advance in the cost of equipment since the mill was built.

Furthermore, Mr. Clark did not have the loss on wheat high enough, basing his estimate on Friday's market quotation of \$2.63. Wheat sold in Cincinnati Saturday at \$2.85, which would make the value of 20,000 bushels of wheat \$57,000.

Bricklaying as Sideline

Washington, Jan. 12.—A school of journalism for enlisted men of the army has been started at Camp Meade, Md. Although more than a hundred trades and professions are being taught in the vocational schools of our new democratic peace time army, instructors report that comparatively few are enrolling for the purely professional courses, such as journalism, advertising, etc.

A journalistic student at Camp Meade the other day asked to take up bricklaying also, as a side issue and as sort of a precautionary measure in these days of unsettled standards. His request will probably be granted.

MRS. ANNA RAYBURN DIES

Word has been received here of the death of Mrs. Anna Rayburn, aged 85 years, at the Southeastern hospital for Insane at Madison yesterday morning. The funeral services will be conducted there. The deceased was well known in this city, having several distant relatives living here.

A COLD RELIEVER FOR FIFTY YEARS

Dr. King's New Discovery
has a successful record
of half a century

TIME-TRIED for more than fifty years and today at the zenith of its popularity! When you think of that, you are bound to be convinced that Dr. King's New Discovery does exactly what it is meant to do—soothes cough-rav throats, congestion-tormented chests, loosens phlegm-pack, and breaks the most obstinate cold and gripe attack. Dr. King's is safe for your cold, for your mother's cold, for the kid's cold, cough, croup. Leaves no disagreeable after-effects. 60c. and \$1.20 bottles at your druggist's.

Bowels Act Sluggish?

Irregular bowels often result in serious sickness and disorders of the liver and stomach. Make them act as they should with Dr. King's New Life Pills. Keep the liver active—the system free from waste. 25c. a bottle.
